Dear Mr. Sullivan:

This is to notify you of your organization's status as a Vermont Continuing Legal Education (CLE) accredited sponsor. The Vermont Mandatory Continuing Legal Education Board granted Regulation 5 approval for Housing Authority Defense Attorneys at their meeting on February 5, 2005.

With this designation, further application by your group for approval of CLE programs is deemed unnecessary. Therefore, your agency is hereby exempt from the requirements of filing the uniform application for approval under Regulation 4 for all activities in compliance with Regulation 3. Credit for activities shall be in accordance with Regulation 2. You should determine the allowed credit and notify those who are attending your CLE activity.

You should be aware that under Regulation 5, reevaluation of your status may be an option exercised by the MCLE Board at any time. Should you have any questions about your status in the future, please do not hesitate to contact this office. Our regulations are under the Continuing Legal Education link on our website at www.vermontjudiciary.org. Please note our new address as listed on the letterhead.

Sincerely,

A handwritten signature in black ink that reads "Martha I. Hicks-Robinson".
