

# Your company discovers a cyber security breach... now what?

You suspect that you have been the victim of unauthorized access to, or misuse of, modification to the network, and/or denial of network resources by attacks perpetuated through malware, viruses, spyware, or the like.

*What should you do next?*

Remember that your XL Catlin Cyber & Technology policy includes a lot more than just coverage. It comes with our dedicated claims team who can help you navigate through a cyber security breach. We'll help you respond and recover so that you can keep your business moving forward. Use the Cyber Claims Road Map below as a quick reference for what to do. Keep a copy handy and share with your incident response plan team members.
