

# Wilson Elser Webinar Series: MANAGING INSURANCE & BUSINESS IMPLICATIONS OF THE COVID-19 PANDEMIC

Wilson Elser is committed to keeping our clients informed of the insurance and broader business implications of the coronavirus outbreak.

You are invited to register for a live webinar on June 4 at 1:00 p.m. EDT.

---

## Premises Liability in a Post-COVID-19 World

June 4, 2020 at 1:00 p.m. EDT.

In this webinar partners [Daniel Tranen](#) and [Parks Stone](#) discuss potential problems for premises owners – such as avoidance of handrails, social distancing in elevators, and claims of disease exposure against premises owners and operators – and offer some solutions to avoid liability.

[Click here to register today.](#)

You are invited to watch the playbacks of the webinars listed below.  
Links to presentation handouts and associated white papers also are included.

---

## Returning to Work in the COVID-19 Era

Employment & Labor practice co-chairs [Steve Joffe](#), [Dean Rocco](#) and [Yoora Pak](#), San Diego partner [Bruno Katz](#) and New York partner [Celena Mayo](#) highlight legal issues that businesses must consider as they think about returning to their offices. They also address “frequently asked questions” from the employer perspective.

## Emerging Employment Law Issues Related to COVID-19 Pandemic

Employment & Labor practice co-chairs [Steve Joffe](#) and [Dean Rocco](#) and partner [Bruno Katz](#) offer a follow-up to their successful early April Employment Law-focused webinar. They review laws and local guidance issued in response to the pandemic and discuss workplace safety and other issues that may arise when workers return from furlough; they also address “frequently asked questions” from the employer perspective.
